

MEMORANDUM

TO : DIVISIONS, DEPARTMENTS, PROGRAM AND BRANCHES  
THE NAVAJO NATION

FROM :   
Ben Manuelito, Department Manager III  
Fleet Management Department

DATE : October 01, 2012

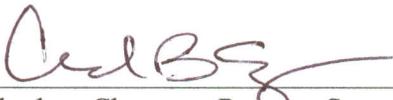

SUBJECT : Fleet Vehicles & Automobile Insurance

For fiscal year 2013, Risk Management issued a memorandum dated August 02, 2012, copy attached, indicating that all Navajo Nation vehicles are required to maintain proof of financial responsibility (insurance) as mandated by law, and if requested by any Law Enforcement Agency having jurisdiction. Additionally, the Navajo Nation Motor Vehicles Operator's Handbook, Section 2.2 Management, requires that each vehicle must have a properly executed Vehicle Assignment Form, Proof of Insurance and safe vehicle operation.

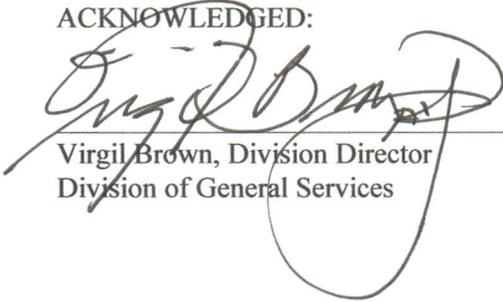

Fleet Management conferred with Risk Management to ensure that all vehicle operators would be able to show proof of financial responsibility effective October 01, 2012, and agreed it would be appropriate to deactivate fuel cards for any affected vehicles not insured effective October 31, 2012. This action will reduce or eliminate the potential for loss and liability to the Navajo Nation. Please ensure that your division, department, program, and Branch complete and submit the necessary Underwriting Exposure Summary packet to Risk Management for insurance coverage and remit premiums prior to this date. After this date, affected vehicles should be parked until the foregoing has been completed, otherwise personal liability may be at risk. This process should be completed as soon as possible so as not to impact services you provide.

If you should have any questions concerning the packet please contact Risk Management at (928) 871-6335. Thank you for your understanding and cooperation.

SUBJECT AUTOMOBILE INSURANCE

All Navajo Nation vehicles are required to maintain proof of financial responsibility (insurance) as mandated by law and if requested by any Law Enforcement Agency having jurisdiction. **Please be advised, the current Automobile Insurance Card issued for policy year October 1, 2011 to October 1, 2012 expires effective October 1, 2012, 12:01 AM.**

**The premiums for Auto Liability coverage is \$173.84 per vehicle. The premiums for Auto Physical Damage varies and depends on the vehicle type.** To avoid any lapse in Auto Physical Damage and Auto Liability coverage, premiums are required to be paid for all lines of self-insurance (auto physical, auto liability, general liability and property). **If payment is not received, coverage will be cancelled and Verifications of Coverage and Automobile Insurance Cards will not be issued.** (Premiums cannot be prorated)

In order to ensure coverage is in place effective October 1, 2012, each program, department, division and/or chapter will be responsible for completing an Underwriting Exposure Summary packet for 2013 and return to the Risk Management Program. This packet is available in the 2013 Budget Instructions and Policy Manual and on the OMB website at [www.omb.navajo-nsn.gov](http://www.omb.navajo-nsn.gov). The Risk Management Program will then issue an invoice for all insurance premiums which will have to be paid prior to releasing the Automobile Insurance Cards for the listed vehicles.

Since this is a timely process, please submit the Underwriting Exposure Summary packets by August 17, 2012 to avoid any delay. Requests will be processed in the order they are received. Insurance Cards are scheduled to be released on October 1, 2012 (**provided premiums have been paid**).

**Risk Management will not issue/release any Automobile Insurance Cards unless the Underwriting Exposure Summary packet is submitted and premiums have been paid.**

If you have any questions, please feel free to contact our office at (928)871-6335.
